## Corrections and Updates for Level C/Grade 2 Lessons and Worksheets, first edition

---

---

LESSON/WORKSHEET	CHANGE DATE	CORRECTION OR UPDATE
Lesson 13	03/01/2012	The pictures of the abacuses that should show 7, 8, and 9 were incorrect.
Lesson 58	02/15/2013	Second sentence of the second strategy should read, "Add 6 and 3 to get 9."
Lesson 67	02/15/2013	Warm-Up: Last paragraph, $4 \times 1 = 4$ , not 1.
Lesson 81	03/01/2012	Second line under Worksheet: Change [hexagons with the larger square tessellated] to [hexagons with the larger star tessellated]
Lesson 108	06/01/2013	Answer should be $5 \times 2 = 10$ and $2 \times 5 = 10$ .
Lesson 125	10/25/2010	The directions for the Corners Three Subtraction were wrong. It should say: "She starts with 444 points for two players, 333 for three, and 222 for four players and subtracts each score."
Lesson 136	07/01/2011	The caption under the last picture should state that what the children color on the worksheet, not 1/6 of a pizza.
End of Year Test	06/01/2013	Version 1, Question 14: Solution should read $8 \times 7 = 80 - 24 = 56$ .
End of Year Test	06/01/2013	Version 2, Question 14: Should read $9 \times 7 = 90 - 27 = 63$ .
Games list	11/25/2010	A games list was added at the end of the manual. See attached PDF.

## Games list for Level C

Game	Lesson	MCG
Addition Array	70	A51
Addition Bingo	64	A50
Advanced Addition War	8	A44 Var.2
Advanced Authors	128	P17
Change from Fifty Cents	76	M12
Change from Fifty Cents Solitaire	76	M13
Change from One Dollar	82	M14
Change from One Dollar Solitaire	82	M15
Column Addition	88	A64 Var. 1-2
Comes Before game	8	N/A
Concentrating on One	137	F3
Continue the Pattern	87	N/A
Corners	2	A9
Corners Three	125	A38
Corners Three Subtraction	125	N/A
Corners Three with Column Addition	128	A66
Difference War	50	S12
Even Chains Solitaire	34	A48
