Corrections and Updates for RightStart™ Tutoring Multiplication and Division, Book Two

LESSON	CHANGE DATE	CORRECTION OR UPDATE
Day 26	03/27/2024	On the second page under the first set of abacus graphics, it should read: "If needed, discuss that the quotient is 3 , and the 1 that is left over is called the <i>remainder</i> because it is the amount remaining." not that the quotient is 5.
Day 42	04/01/2024	On the second page, third paragraph under the graphics, it should read: Ask: Is something wrong? [yes, the product 366 is more than 364], not [yes, 366 is more than the product, 364].
