Corrections and Updates for RightStart™ Tutoring Fractions

LESSON/WORKSHEET	CHANGE DATE	CORRECTION OR UPDATE
Day 12	03/07/2025	A line was added to the Play instructions: The first player looks at the basic number card in the lower right hand corner and turns over all basic number cards equal or greater than its value. If the number of cards turned over is 1, 5, or 7, turn over one additional random card.
Day 19	05/18/2021	The summary question, another way of saying $16/5$, should have the answer of $3-1/5$, not $3-1/2$.
Day 20	01/01/2015	Final problem should say $12/3=4$.
Day 20 Worksheet 9	01/01/2015	Final problem should say: Twelve divided by three.
Day 24	01/01/2015	In the practice section, in the number 30, the factor of 10 was missing and the answer for the CGF of 96 and 24 is 24 , not 12.
Day 34 Game 42	05/17/2017	The answer at the bottom of page 69 should be $2/9$, not $1/9$.
