2027 VENDOR PRESENTATIONS

Unlock the Puzzle with RightStart™ Math

Have you heard the buzz about RightStart™ Math? Come hear about our philosophy and what sets us apart from other programs. We teach children that a real mathematical problem is like a puzzle, that math is more than memorization, and that math is fun. Come and learn what's special about our math curriculum!

Building a Solid Math Foundation with RightStart™ Math

Just like a house needs a strong foundation to stand tall, children need a solid base in math to tackle more complex ideas with confidence. Without a solid foundation, things can start to crumble. In this session, you'll learn how RightStart Math gives you simple, effective ways to teach math from the ground up, helping your child understand the basics in a way that builds their confidence.

Multiplication Without Flashcards or Timed Tests? Thanks, RightStart!

Multiplication has been the mathematical downfall of many students. Memorizing 100 facts without full comprehension is a burden and needs frequent review. Yet, we know that a deep understanding of concepts removes anxiety, lessens the burden of memorizing, and makes math more enjoyable. Come and learn strategies to help your child become competent and confident with their multiplication and division facts.

RightStart™ Fractions

Do you remember the groans in math class when the word 'fraction' was brought up? Well, there is a better and less painful way to teach fractions! Fractions are, dare I say, fun when they are taught the right way. What's the right way to teach them? Come and find out! Discover the beauty and simplicity of fractions using RightStart™ Math.

RightStart™ Math Card Games

Are you tired of flashcards? Does your child cry when you give another timed test? Are you frustrated because your child can't seem to remember the multiples of 7? Use games to practice and review math facts. This workshop will show you fabulous and effective math card games that are easy and fun. Imagine your kids asking you to practice their math! Come and discover RightStart™ Math card games to help your child learn their facts!
